Wireless Connection at ILC-ECFA & GDE Workshop

Two ways:

1.- People attending the meeting at ATENEO and ADEIT will
    get a username and a password when registering

2.- For people and only for people that need to come to IFIC
    should:

        a) send the MAC wireless address before 2nd of November
           to carlos.martinez@ific.uv.es

        b) configure the wireless network:
                        TCP/IP configuration: AUTOMATIC (DHCP)
                        SSID: IFIC_0
                        NO SECURITY WEP KEY
